EN MATERIAL

The backrests of the SEALINE collection consist of DEDON EcoCycle fiber woven over a powder coated aluminum frame. The DEDON EcoCycle fiber is made of polyethylene from renewable agricultural raw materials (ethanol from sugar cane). To clean the surface, use a soft cloth or brush, warm water and a gentle cleanser if needed.

The frame of the seat is made of teak. Wash using DEDON teak cleaner. To retain the golden-brown color of unweathered teak, we recommend applying DEDON teak oil at least once in every six months.

The tabetops are made of mineral composite. Clean with a soft cloth and warm water.

FUNCTION

The backrests of the left and right modules and left and right modules XL can be flipped and used on the opposite sides.

DE MATERIAL

Die Rückenlehnen der SEALINE Kollektion bestehen aus der DEDON EcoCycle Faser, die auf einen pulverbeschichteten Alurahmen geflochten ist. Hergestellt wird die DEDON EcoCycle Faser aus Polyethylen aus nachwachsenden landwirtschaftlichen Rohstoffen (Ethanol aus Zuckerrohr). Um die Oberfläche zu reinigen, benutzen Sie ein weiches Tuch oder eine weiche Bürste, warmes Wasser und, falls nötig, ein sanftes Reinigungsmittel.

Die Rahmen der Sitzflächen sowie die teak Beistelltische bestehen aus Teakholz. Reinigen Sie das Teakholz mit DEDON Teak Reiniger. Um den ursprünglichen, goldbraunen Farbton zu bewahren, tragen Sie mindestens alle sechs Monate das DEDON Teak Öl auf.

Die Tischplatten sind aus Mineralkompositwerkstoff gefertigt. Einfach mit einem weichen Tuch und warmem Wasser reinigen.

FUNKTION

Die Rückenlehnen der linken und rechten XL-Module können auf die jeweils andere Seite umgelegt werden.
