

Boulevard

102

Long, low horizontal blocks of mixed materials layer together to create distinct architectural lounge groupings with a very contemporary look: Introducing “Boulevard”. Designed for luxury residential use and high-end hospitality, this collection is strikingly handsome, low maintenance, versatile, and comfortable.

Available in 2 colors (iron black / cotton) the durable powder-coated aluminum base supports ergonomically shaped cushions in an attractive range of durable Sunbrella textiles. The same durable powder-coated aluminum pairs with low maintenance Italian High Pressure Laminate (HPL) to make up the Boulevard low tables.

Boulevard sunbeds are solid, minimalist pieces perfect around the swimming pool. Featuring: a handy attached side-table, a push button gas spring to allow for a smooth reclining experience, an ergonomically shaped cushion with a built-in headrest and small discrete wheels for mobility.

New for Mamagreen is the introduction of a double-sided lounge configuration, that can serve as a central gathering space, dividing spaces, a daybed or as part of a casual low dining ensemble. The optional adjustable shades add further function to this arrangement.
