

# OHANA

With a range of neutral and vivid color combinations, Ohana can find itself at home in most exterior and interior settings.

Ohana's frame is woven by hand with an Olefin rope wrapping around a sturdy powder coated aluminum frame. The semi-soft seat cushion, supported by a mesh seat deck, and a fluffy back pillow ensure a comfortable seating experience.

The Ohana dining chairs can complete any MAMAGREEN dining table while the Ohana lounge chairs are a perfect fit for balconies, living rooms and perfectly balance any of our sectional sofas.

The exceptional Ohana balloon chair is a stunning statement piece, available in both dining and lounge height.

This series of sled base dining and lounge chairs can be used both in residential and commercial environments.

A weighted version is available for high wind areas and rooftops.
