

# ESSEX

Essex is designed to add dimension and weight to larger landscape and commercial settings. Constructed using dimensionally larger lumber, these benches compliment any outdoor venue, but are specially scaled for the grand stage. Pair with our wood accessories to create a inviting outdoor environment.

**FEATURES:**

- Large dimension wood adds strength and visual size to all Essex benches.
- Corner braces add strength while enhancing overall design.
- Resistant to rot and will last for years in all weather conditions.
- Mortise and tenon joint construction adds strength and longevity.
- Untreated, wood weathers to a warm gray. Treat with a timber protector to maintain color.
